

# Mt Hotham Accommodated Labour Day Weekend

YHA Bushwalking will be heading to up Mt Hotham for the Labour Day long weekend (March 9<sup>th</sup> -12<sup>th</sup>)

We will tackle some of the great walks in the area, such as the Razorback across to Mt Feathertop (pictured), with breath taking alpine views.

There will also be the recently opened Hotham Huts Walk, visiting three historic iconic alpine huts - Spargo's, Derrick and Silver Brumby, and a Dinner Plain-Mt Tabletop walk.

The weekend away will consist of three consecutive days of walking totalling over 50 kilometers of alpine trails with plenty of hills, so good fitness will be required.

## **The Walks**

**1:** The Razorback to Mt Feathertop 22km Medium Plus Walk

This is one of Victoria's best walks and also most exposed as we cross the Razorback to Mt Feathertop.

**2:** The Hut Walk 20km Medium Walk

A classic walk visiting Mt Loch and the historic Spargo's, Derrick and Silver Brumby alpine huts.

**3:** Mt Tabletop 10km Easy/Medium Walk

an easy medium walk to finish off the weekend with some good views

Accommodation will be at the Peninsula ski lodge, with good amenities for all attending.

The weekend is self catered but we will hit the General (Pub) one night for dinner and drinks!

For the walks you will need to carry water, lunch, snacks, wet weather clothing and have proper hiking boots or trail shoes for a full day out in the bush.

For those who would like to exercise the little grey cells as well as the legs we will run a trivia night as well!

The cost for three night's accommodation is \$130.00 plus booking fee.

Trip Card \$130.00 – YHA Member \$140.00 – Non YHA Member \$142.00

**Accommodation is from the 9<sup>th</sup> so you will need to come up on the Friday**

This is a bushwalking long weekend away so by booking for this trip you are intending to take part in all of the above walks and have the required fitness and equipment to do so.
